A. Quality Assurance Body

Quality Council for Trades & Occupations (QCTO)

B. Assessment Quality Partner

Health & Welfare Sector Education & Training Authority (HWSETA)

C. Qualification Overview

Purpose:

The purpose of the skills programme is to build the capacity of a person to work function as a Basic First aid Provider. Basic first aid providers respond to emergency situations to provide efficient and immediate basic medical care to ill and injured persons during emergencies. They use a limited range of equipment and operate within common and uncommon situations providing a basic first aid care service that falls within a strictly regulated scope of work as defined by various regulatory requirements. Incumbents are also expected to continually remain updated on approved new practices and techniques.

D. Exit Level Outcomes.

- Assess an affected person for signs and symptoms of life-threatening conditions and immediately deal with those conditions
- Apply standard procedures to provide basic emergency first aid care to alleviate discomfort and facilitate healing within scope
