C. Qualification Overview

Purpose:

The purpose of this skills program is to prepare a learner to operate as a Community Development Facilitator for Drug and Alcohol Education and Awareness Interventions. Drug and Alcohol abuse and addiction is one of the most major social issues in South Africa. It is at the root of Gender Based Violence, violent crime, domestic violence and road accidents just to name a few.

A qualified learner will be able to:

1. Have a deep personal understanding of the effects of drug and alcohol abuse and its effects on a person, a family, the workplace and a community.
2. Facilitate a community-based drug and alcohol abuse education or awareness activity.
Organize, schedule and facilitate a drug and alcohol abuse education and awareness intervention.
3. Compile and present a Community Development Intervention report.
4. Apply foundational marketing and public relations tools in a community development context
Establish, organize and operate a formal practice or chapter for the performance of this intervention

D. Exit Level Outcomes.

1. Differentiate the effects of drugs and alcohol abuse and its effects thereof on a person, family, school, workplace and community.
2. Facilitate a community-based drug and alcohol abuse education or awareness activity.
3. Organise, schedule and facilitate a drug and alcohol abuse education and awareness intervention.
4. Compile and present Community Development Intervention report.
5. Apply foundational marketing and public relations tools in a community development context.
